

# The University Ministry at Reutlingen University

The ekhg Reutlingen is the campus's Protestant and Catholic Student Ministry.

The ekhg is pleased to welcome all students and staff at Reutlingen University, regardless of religious denomination.

- We invite you to join us in our attempt to find and live by **modern forms of spirituality**.
- As well as **offering support and guidance in religious and spiritual matters**,
- our programme also includes **a range of seminars** on acquiring social skills and how to cope with the demands of studying for a degree.
- Students are offered **support and advice** on a whole range of important questions affecting their lives,
- as well as **lectures on political topics**. Go to [www.ekhg.de](http://www.ekhg.de) to download the ekhg's current Semester Programme (at present only available in German).
- **We offer counselling and advice in both German and English**, and also (less fluently) in French, Spanish and Norwegian.
- **We support student matters and initiatives and offer help**, advice and companionship in emergency situations and personal crisis situations.
- **We arrange contact to German families** for international students and staff members, **and we also organise a variety of fun free-time activities**.
- Contact us in German or English! We're really looking forward to hearing from you!
